Piraeus cruise port has three cruise Terminals

Terminal A *Miaoulis* – Main Terminal

- Open 24 hours
- Walking distance from Piraeus city center
- Total space 8,000 m²
- Capacity 12,000 passengers / 1,200 passengers per hour

Terminal A Facilities

- Arrivals hall
- Check in / departures
- Police, immigration
- Customs Office
- Air conditioning
- Free Wi-Fi
- Public telephones
- Parking area for 80 buses
- Taxi and limo rank
- Duty free shop
- Stores, cafe
- Currency exchange

Passenger access

The terminal is less than 50 meters from the quays
Shuttle buses link the terminal to the further quay

Terminal B Themistocles

- Built in 2013
- Two quays with 11 metres depth able to accept mega cruise ships (4,500+ passengers)
- Away from domestic ship traffic
- 6,000 m² of ground
- Secured area

Quay Themistocles

- The terminal building is directly across quay Themistocles
- Is designed to operate home port calls of mega cruise ships (4,500+ passengers)

Passenger access

- The terminal is 50 meters from the quay
- Shuttle buses link the terminal to the further quay

Terminal B Facilities

- Arrivals hall
- Check in / departure hall
- Air-conditioned
- Police, immigration
- Customs Office
- Free Wi-Fi
- Public telephones
- Parking area for buses
- Taxi and limo rank
- Duty Free shop

Terminal C – *Alkimos*

- Build in 2003, renovated and expanded in 2016
- Close to public transport for Athens and Piraeus
- Total space 2,100 m²
- Capacity up to 3,000 passengers / able to serve 700 passengers per hour

Shuttle buses

Free shuttle buses transport passengers between quays and the terminal.
